

36. PICTURE THIS (ADVANCED)

TYPE OF ACTIVITY: Warm up/Brainstorming

STANDARDS: 1.3 Presenting, 5.1 Language Communities

INSTRUCTIONAL OBJECTIVES:

To review vocabulary used to describe people and situations.

STUDENT PREPARATION

In class or for homework each student will be given a picture/photo representing a situation that will include an element of humor or mystery. They will need to imagine what the characters are thinking, doing or even what they just did or will do next. They write a paragraph to explain it to their classmates.

TEACHER PREPARATION

The teacher will post all pictures in the classroom/lab before the next activity.

IN THE LAB

RECORD

Students will **RECORD** their paragraph.

COLLECT RECORDINGS

Teacher uses the **COLLECT RECORDINGS/WORK** feature to close students' audio files and collects them in one file folder for grading.

OPEN FILE

Teacher uses the **OPEN FILE** function to send a volunteer student's audio file to all students and asks them to identify the corresponding picture each student was assigned to from the pictures posted around the lab. Repeat as time allows.
